**Colleges:** At Top Gun and Top Recruit we strive to maximize Collegiate attendance at every showcase we host. It's our aim to increase college coach attendance with each event while maintaining our reputation of delivering as promised. For this reason we do not post 'INVITED COLLEGES' lists to mislead. Our goal with all events is to provide college attendance from schools at all levels (taking into account the current recruiting schedule) who are passionate about building their programs to the highest level. We plan to have representation from schools in the following Division 1 conferences as well as regional D2/D3/NAIA/NJCAA conferences all within the proximity of the Carolinas. As we get closer to the Summer and are receiving hard confirmation of attendance from specific programs, we will be sure to update those for all athletes to begin to reach out to prior to the tournament.
