Play Top Gun Sports will have many Pro Days in 2015. The purpose and intent of this new program is to give our athletes more opportunities to be evaluated by college coaches. Top Gun Softball will have a number of these Pro Days this year see our web site for Pro Day schedule.

During our Pro Days we will record activity on the field, our recorded detailed information will be very important for a players recognition. We will record our Base running times, throws from the infield, outfield, and behind the plates get times with radar gun.. Catchers get their pop times recorded and pitchers get evaluated and their velocities recorded as well.

**Our Top Gun Web Site Pro Day stats will be an important scouting tool. We will have a comprehensive report on our web site for each Top Gun Pro Day.**

Top Gun will carefully analyze all of the information of our Pro Days before posting our results. We rely on personal observations, input from our conductors and performance from athletes, to make our Top Gun Ranking as accurate as possible. The player rankings are regularly adjusted as we receive new Pro Day information. Some players will attend multiple Pro Days. The more you attend the more information you will have on the website as well as the more times your information will be sent to college coaches.

**Our goal is to have the most comprehensive and complete service to our athletes and to assist them in finding college scholarships.**

**Top Gun Showcase Pro Days will quickly become one of the best ways for our players to reach and be seen by college coaches.**
