

TOP GUN TOURNAMENT PERK POLICY WHEN IT RAINS

If rainouts, lightning, or other situations beyond our control cause a team to receive less than their number of scheduled games, teams will receive a refund based on the following criteria listed below:

For 2 Day Events:

If you don't play any games: Full Refund

If you start or complete only 1 game: You will receive 50% credit of entry fee paid

If you start or complete only 2 games: You will receive a \$50 per game credit for games rained out

If you start or play 3 games: No Refund

For 1-Day Events:

If you don't play any games: Full Refund

If you start or complete 1 game: You will receive \$50 per game credit for games rained out

If you start or complete 2 or more games: No Refund

**Anytime a tournament is converted to a 1-day event due to inclement weather, Top Gun Sports does not award perks. We will still award teams with trophy packages and free paid berths, but the perks are only awarded on 2-day events only.*

There are no refunds for forfeits or disqualifications. Also, there are No Gate Refunds for rainout events.

For final standings on a rain-shortened event, please see our Rain Policy tie-breaker rule.
