

This special memorial athlete assistance fund has been set-up by the parents of Chelsea Parker. A very special young lady who loved the game of Softball with a passion and who left this life much too soon.

Ray and Michelle Parker along with Top Gun Sports would like to help young ladies who want to play softball and are unable to participate due to registration fees or team dues or for whatever reason. The assistance fund is set up for young ladies with the passion for playing the game of softball and who for whatever reason cannot afford to do so. This could be for a number of different reasons.
