

Event Facilities

Outdoor/Indoor facilities such as baseball, softball, soccer fields, and basketball courts by their design and use have inherent hazards such as, but not limited to:

- Uneven and variable walking surfaces, seating, and standing areas and bleachers that vary by design, construction, and condition.
- Risks of injury from colliding with other persons, slipping, or falling on walking surfaces, bleachers, and stairways, and tripping over unknown objects which other persons may have left or discarded on the premises.
- Risk of injury from wayward flying objects that may be thrown or struck such as balls, bats, gloves, and other items that may not be reasonably foreseeable.
- Players, coaches, team personnel, and spectators may damage the premises or create hazards at any time without the knowledge of Top Gun Sports.

This list of risks is not and cannot be all inclusive. There may be other risks that can injure you. Players, coaches, team personnel, and spectators should always pay attention to the action at hand and be alert for objects headed their way and should listen to public announcements regarding safety during the event.

Players, coaches, team personnel, and spectators are responsible for their own safety while on these premises. If you do not wish to assume the risk of harm while attending a sporting event conducted by Play Top Gun Sports, then do not enter this facility. Play Top Gun Sports and the owners of this facility won't be responsible if a player, coach, team personnel, or spectator is injured at a sporting event at this facility.
