ZERO TOLARANCE

Top Gun-USA Sports will have a Zero Tolerance for

Top Gun-USA Sports Softball and will follow a “Zero Tolerance” policy regarding inappropriate behavior. This policy will encompass all interactions during the course of the softball sports program. By entering a Top Gun-USA Sanctioned Softball Event you are agreeing to abide by this policy.

Our sons, daughters, nieces, nephews, and grandchildren far too often watch many of us forget the real reason for being involved in youth sports. This is reason for a “Zero Tolerance” policy. We must promote fair play, good sportsmanship and teach our children how to play the game. We feel it is everyone’s responsibility to teach the players that there is more to the game than winning or losing and the final score. Top Gun-USA Sports takes this responsibility seriously.

With that said the following statements will represent our position and more importantly constitute our “Zero Tolerance” policy from this point forward.

TOP GUN DOES NOT ORGANIZE TEAMS

Play Top Gun Sports events provides rules for play and a tournament structure that leads to end of season tournament opportunities for teams that register to participate in Top Gun events that are overseen by Top Gun directors. We encourage parents (and guardians) who determine the team for a youth team participant, the adult team participants (such as team coaches or team sponsors) of a team, the community organizations who are involved in the organization, creation or management of such teams to thoroughly investigate and screen the background and character of the individuals who coach, manage, volunteer or otherwise come into contact with such teams and their minor participants and to vigilantly supervise any and all activities of any youth team with which they are associated.

Background checks are available, among other places, on-line for a small fee and Top Gun encourages those actually responsible for team activities and the parents (guardians) of youth athletic team members to utilize such tools to limit the exposure of youth athletes to those who might pose a danger.

Because Top Gun is not an organizer, manager or creator of teams, it does not in any way take responsibility for the organization, creation, management or any other activity of the teams (customers) that register to play in Top Gun tournaments, except to provide the opportunity to play Top Gun events under Top Gun rules, and overseen by a Top Gun director. Teams that participate in Top Gun events are customers of Top Gun and no more.

When a team chooses to participate in a Top Gun activity, the team, its players, coaches, volunteers, organizers, and its parents and fans must abide by rules found in the Top Gun Rule Book posted on our web site. Since Top Gun has nothing to do with the practice sessions of a team, choosing of team coaches, the picking of which team to play for, the activities with respect to any other body, or any other activities of a team (but simply provides registered participation in Top Gun directed activities).

Top Gun takes no responsibility for any such other non-Top Gun event activities of any team. While Top Gun is not responsible for checking the background of each of its customers (including the coaches of the baseball teams that play in Top Gun events), those convicted or charged with a violent felony or a sex offense with a minor are automatically suspended from all Top Gun activities (until found innocent or the charges are dropped). Thus, if you are aware of someone who has been charged with or convicted of a violent felony or a sex crime with a minor and that someone may be in any way involved in a Top Gun activity, you should immediately inform the Top Gun Director and upon being provided with proof of such charges or conviction, that individual will be automatically suspended from all Top Gun activities.

For example, if you do a background check on a coach before joining a team and find evidence that he has been charged with having sex with a minor, you should report this to your Top Gun Director, or Top Gun Sports Office, even though you have decided to play for another team. Even more important if you are aware of any one who has committed a violent felony or has had sex with a minor that has not been charged, you are obligated to report those crimes to the proper authorities and you should do so immediately.
