2023 Softball Point Program

Points will be accumulated throughout the year and will be awarded to each team regardless of what age they play on any specific weekend. All teams are welcome to play up in age at any time but points will continue to accumulate under the age division that you started out in at the beginning of the year. If you choose to play up please let the office move you up so that it doesn't jeopardize your points.

**All teams participating in the 2023 Points run will continue to accumulate points through the 2023 Top Gun Sports Winter National Championships
Nov. 17, 2023**
