## COLLEGE CAMP AND SHOWCASE EXPOSURE PROGRAM

Top Gun-USA is proud to announce their partnership with [REAL TIME College Recruiting](#) owned and operated by Tammy Vermeulen. [CLICK HERE](#) to read Tammy's story and learn more about her company.

We will offer all teams and athletes the unique opportunity to participate in camps run by College coaches and offer the older teams a SHOWCASE program that will by far be the best Exposure found anywhere.

2018 has been successful and we plan to move forward in 2019 with a bigger and better program for all our athletes.

We feel that all athletes should have the opportunity to participate with College Coaches and to be seen by them so that they can fulfill their college dreams.
